

“ It has overwhelmed and encouraged our hearts to have Kosair for Kids come alongside us and be a part of caring for our children. ”

–Kim Small, PJ & Sawyer’s mom

Funding is available for children in Kentucky and Southern Indiana and based upon need. Examples of assistance include:

- medical bills related to non-routine procedures
- auditory evaluations and hearing aids
- physical, occupational, and speech therapies
- medical equipment such as wheelchairs, power chairs, and custom bicycles and tricycles.

## Kosair Kids Financial Assistance Program

Since 1923, Kosair for Kids has ensured that children in need have access to life-changing medical care. Today, Kosair for Kids proudly funds the costs of medical care and treatment not covered by insurance and beyond the means of a child's family through the Kosair Kids Financial Assistance Program.

“ If it weren't for Kosair for Kids, we would not have been able to cover the cost of Luciana's treatment. ”

—Adan Henriquez, Luciana's dad
